Dear __(family/friend name)__,

On Friday, January 27th, I will be participating in my school's Run for a Cause jog-a-thon. This special event is when we come together as a community and raise funds in support of our school and an important cause, then run together on our Wesley campus. This year, we are focusing on an organization that affects many people in our Wesley community and the world - Type 1 Diabetes. Half of all proceeds raised will directly support **JDRF - Juvenile Diabetes Research Foundation**, with the remaining funds supporting Wesley's service learning initiatives.

I hope you can join us and help support people with Type 1 Diabetes. Please consider sponsoring me for Wesley's Run for a Cause. You can make your sponsorship gift by going to wesleyschool.org/run and noting my name in the "In Honor Of" field. No gift is too small to make a big difference!

With Love and Thanks,

Student's Name
