

The Wesley School is thrilled to be offering their beloved Hot Lunch Program again this school year!

Harvest Moon is a local restaurant and caterer, owned by Wesley alumni parent, Chris Drapkin. Chef Devin Rodriguez of Harvest Moon joins us in our campus kitchen daily, providing delicious home-cooked and locally sourced meals Monday through Friday.

Again this year, we are excited to announce that Harvest Moon has partnered with *HotLunch.com* to provide an easy way for parents to sign up for Hot Lunch on a yearly, weekly, or daily basis. **Please note that this year's hot lunch will also include a salad bar option each and every day!**
